## **Day Preference Fees:** *Piano Cadet through Intermediate Solo only*

To help accommodate requests to perform on a specific day, there will be a \$1 per entry handling fee, payable with the application. Indicate on the application the day when the contestant would like to play, and we will attempt to schedule the contestant on the requested day. If we cannot accommodate the requested scheduling, the handling fee will be refunded. Further, if we cannot accommodate the request and the contestant is unable to play, the entry fee will be refunded. We cannot accommodate requests for specific days for piano solos after the entries have been submitted. Time of day requests are not possible. Day preference scheduling of each particular class is subject to class enrollment limits.

## **SUGGESTIONS FOR TEACHERS:**

Before submitting applications, check with parents for available dates regarding Communion, Weddings, etc. if the piano student is competing in more than one category, or has brothers or sisters in the contest, and the family wishes to have all contest activities scheduled for the same day, the piano solo student must request the desired day. Please note this special handling is for a specific day for piano solo contestants, and is not for a specific performing time.
